Effective Supervision: A skill-building workshop

Thursday, February 8, 2007

Are you a new supervisor trying to get a handle on your new role?

Are you an experienced supervisor looking for new ideas?

Are you a supervisor wondering how to balance support and accountability with staff?

These and other questions will be addressed in this dynamic, half-day workshop designed for both Victim Witness Advocate supervisors and Community-based Agency supervisors. Sessions will be divided by type of agency and level of supervisory experience. Strong emphasis on skill-building and problem-solving. Participants will leave with new information and skills to enhance supervisory competence.
